

30 Hour Patrol Crisis Intervention for Hostage Incidents Operator Course

The 3 Day Patrol Crisis Intervention for Hostage Incident Course is a culmination of years of actual law enforcement operational experience and training. This course is a patrol level course where students will learn about the psychological aspects of hostage situations, when to intervene and when to deescalate. Students will be educated on how to assess situations, secure perimeters, coordinate with specialized units and how to mitigate a variety of hostage situations commonly faced by today's patrol officer.
